FIRST REQUEST FOR EXTENSION OF TIME

Hon. Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Applicant, by his attorney, hereby requests an extension of one month within which to respond to the Official Action of January 14, 1980. The extension would allow applicant up to and including May 14, 1980, to respond to the action.

The additional time is required in order that applicant's attorney, who has just recently joined the company and needs additional time to review the files, can prepare a suitable response.

This request for extension is not interposed for purposes of delay.

Respectfully submitted,

John J. Kolano
